Directions for Use

FM Goat Pellet is a supplemental feed for all classes of goats. It is formulated to be fed with good quality roughage or pasture. Feeding rate is dependent on age, stage of production, sex, breed and body condition.

Fresh, clean water should be available at all times. Make all feed changes gradually.

Caution

Do not feed to sheep due to high copper levels.

Manufactured By:

414 7th St W
Harvey, ND 58341
